

DECORATING INSTRUCTIONS

Welcome to the Charlie Brown Christmas Tree Grove

1. Decorating Times for 2020 - Sunday, November 29th starting at 10 am through the end of day on Saturday, December 2nd. All trees must be decorated by Thursday, Dec 3rd at Noon. You will be emailed a map and a tree list so that you can easily find your tree for decorating. (No community decorating day planned for 2020.)

The Grove is divided up into 4 Areas:

**Bosque (B), McClelland East (M/E), McClelland West (M/W),
South Diagonal (S/D), North Diagonal (N/D)**

2. Find your tree by its number and look for your name on label.
3. Attached to your barrel is a socket plug, this is the power for your tree. Please do not pull any power from any other trees. The plugs are active so once you plug in your lights, they should be on.

**--- USE OUTDOOR RATED LED LIGHTS ONLY - NO TRANSFORMERS ALLOWED ---If
Lights other than LED are used, your tree will be unplugged and tagged.**

4. String your LED lights from the **bottom of the tree up**. **Please do not lay lights in the top of barrel** because the barrel fills up with water during rain and shorts out your lights. **Using black electrical tape** (bring your own or watch for Grove Volunteers), tape over each connection and open end of cords to prevent rain entry.
5. Be sure all decorations are weather proof and **securely** attached to the tree (We expect rain and wind during December). **No ornaments made of food, dough, biscuits or using Elmer's Glue or Contact Cement, these are not weather proof.**
6. PLEASE USE CAUTION TO AVOID WALKING IN BETWEEN THE BARRELS AND OVER ELECTRICAL CORDS.
7. Thank you for participating in this wonderful Windsor event!
